Re: United States Patent Nos. 5,313,848, Re.36,200, and 4,816,822
and Time 'N Temperature Corp.'s Smart Chek 2000 and Smart Chek
Digital In-Transit Products

Dear Sir or Madam:

We represent Sensitech Inc. ("Sensitech") and its wholly-owned subsidiary Ryan Instruments, Inc.

Sensitech is the exclusive licensee, with sublicensing rights, of United States Patent No. 5,313,848 dated May 24, 1994, which was reissued as United States Patent No. Re.36,200 on April 27, 1999. Through Ryan Instruments, Inc., Sensitech also owns United States Patent No. 4,816,822 dated March 28, 1989. Copies of the three patents are enclosed for your consideration.

By this letter, we wish to notify you of the existence of our clients' rights in these patents and their availability for license.

We look forward to hearing from you.

Sincerely,

Bruce E. Falby
